

HERITAGE WESTERN CAPE COMMITTEE MEETINGS GOES LIVE

Heritage Western Cape (HWC) will be utilising the *SLIDO* platform to provide live updates to applicants and interested & affected parties for the agendas of committee meetings.

SLIDO is an interactive platform that enables you to send questions to the secretariat of the meeting as to the status of the agenda. This will allow parties wishing to be present for the meeting to have an estimated time flow of the agenda.

GETTING STARTED

1. The event code will be published on the home page of the HWC website www.hwc.org.za at the start of the meeting.
2. There is no need to download anything or sign up. Open www.slido.com in your browser and type in the event code.
3. Live agenda updates will be posted by the secretariat, and participants may query the status of the agenda.
