Adjusted Timeframes For Review of Submissions To HWC

Please note that, due to a range of operational constraints, applicants are advised to allow for additional time when planning for the review and tabling of submissions before Heritage Western Cape's committees.

Going forward, Heritage Officer Meetings will be held every second week with a limit to the items allocated to the agenda. HWC remains committed to complying with the statutory timeframes set out in Regulation 3(2) of Provincial Notice 298 of 29 August 2003.

In terms of this regulation, HWC is required to respond to an application, undertake consultation with relevant experts and authorities, and reach a decision within a maximum period of 60 days.

Heritage Western Cape appreciates your understanding and cooperation in this regard and remains committed to processing applications as efficiently and effectively as possible.
