

Heritage Western Cape Submissions 2026

From the 5th of January 2026, all Section 27, 28, 29, 31, 34 and 38 applications must be submitted exclusively via SAHRIS.

The SAHRIS platform allows you to track your submissions, access archival records, and explore the mapping and spatialisation of heritage resources from one centralised space.

Register as a user to begin engaging with the functions available to you: www.sahris.org.za

Your feedback is valued. Please let us know about your experiences with SAHRIS so that we can continue improving the platform to support efficient and effective heritage management!
