

NOTICE 9 of 2021: HERITAGE WESTERN CAPE RESPONSE TO CAPE TOWN FIRES

Heritage Western Cape notes with extreme concern and distress the destruction of parts of the University Cape Town Campus and surrounds by the devastating fire which occurred yesterday.

Several buildings on the campus are Provincial Heritage Sites, protected under Section 27 and Section 34 of the National Heritage Resources Act 25 of 1999. The full extent of the damage to heritage resources has not as yet been established.

HWC will stand by to offer assistance within its mandate and resources to enable the emergency permitting of any work necessary to enable the stabilisation and protection of affected heritage resources.
