16.1 Draft Overberg District Municipal Spatial Development Framework

Mr Jonathan Windvogel gave the presentation.

Ms Raudhiyah Sahabodien, was present, gave a presentation and took part in the discussion.

DISCUSSION

Amongst other things, the following was discussed.

- The committee recommends that the local municipalities within the Overberg District should be guided by the ODMSDF to comply within S30(5) and S34(1) of the NHRA. S30(5) of the NHRA states that the time of compiling or revising of the Town Planning Scheme or SDF, a Local Authority (planning authority) shall compile an inventory of all heritage resources in its jurisdiction and submit such inventory for approval.
- The commenting period for the matter will be extended to mid-April.

RECOMMENDATION

- A meeting to be held with Ms Penelope Meyer to discuss the statement made by Ms Raudhiyah Sahabodien that Heritage Inventories are not necessary in the compilations of Municipal Spatial Development Frameworks.
- A letter in this regard from HWC to be compiled by PM and sent to the Overberg District Municipalities.

JW

16.2 Draft Drakenstein Municipal Environmental Management Framework

Mr Jonathan Windvogel gave the presentation.

DISCUSSION

Amongst other things, the following matters was discussed.

- The EMF mentioned that Elandsfontein as well as the historic core of Saron is not formally protected. However, the historic core of Saron is a declared PHS, and the EMF should therefore be amended.

DECISION

The committee endorses the principals, vision and strategic objectives of the EMF in terms of heritage and conservation management and conservation.

JW

16.3 Draft Drakenstein Spatial Development Framework

Mr Jonathan Windvogel gave the presentation.

Mr Bisschoff Bosman and Mr Stuart Burnett were present and took part in the discussion.

DISCUSSION

Approved IGIC Minutes 11th March 2022

Amongst other things, the following matters was discussed.

- Drakenstein Local Municipality has a heritage inventory, which identifies, maps and grades the heritage resources within the municipality. Economic growth is identified as a key theme and advocates the need for clear and transparent development trajectory for the reduction of red tape to increase efficiency in terms of development.
- The heritage areas and heritage resources should be differentiated and included on different maps.
- The proposed actions by the municipality for heritage areas should be expanded upon.
- The committee recommends that the Drakenstein Municipality Spatial Development Framework is compliant with Section 30(5) of the NHRA. However, the Municipality is encouraged to designate Heritage Areas in terms of S31(1) of the NHRA, which will inform the formulating of the SDF in terms of spatial planning and assist greatly with the sustainable management of the heritage resources within their municipal jurisdiction.

DECISION

The Committee endorses the principals, vision and strategic objectives of the Drakenstein Spatial Development Framework as it relates to heritage management and conservation, subject to the heritage areas and heritage resources being differentiated and included on different maps.

JW

16.4 Mossel Bay SDF Final Draft 2022

Mr Jonathan Windvogel gave the presentation.

DISCUSSION

Amongst other things, the following matters was discussed.

- Observation: Heritage Western Cape responded to the draft SDF in December 2021. The HWC requirements were not yet met in terms of S30(5) of NHRA. Therefore, the response dated 15 December 2021 still stands and should be taken into consideration by the Mossel Bay Municipality

DECISION

The previous comment of HWC dated 15 December 2021 is re-iterated.

JW

16.5 George Municipal SDF Review 2021/2022

Mr Jonathan Windvogel gave the presentation.

DISCUSSION

Amongst other things, the following matters was discussed.

- Heritage Western Cape sent numerous correspondences to the George Municipality with regards to the completion of their inventory.

DECISION

The municipality is once again strongly, as per the previous correspondence encouraged to complete the Heritage Inventory. The completion and submission of such a document is a legal requirement in terms of the NHRA.
